OPEN FORUM, VISITORS:

Terry McClellan, 7671 Brigadoon Place, said he has learned a lot about parking ordinances over the last few months. There is an amendment to the parking ordinance adding one sentence stating you can park a recreational vehicle twice a week on the street but not back to back. He has had issues with a neighbor parking their ice house in the street in front of his property. The police officer involved did all he could do and represented the City well. He asked when this amendment went through.

Mayor Lund said at least 12 years ago. He said this was the first time there has been an issue.

Mr. McClellan said he has surveyed the neighborhood, and there are many violations regarding parking on street.

Mayor Lund said people leave for a long weekend and park their trailers for a day to pack or unpack.

Mr. McClellan said people who do that should park in front of their own property.

Mayor Lund said Council would take a look at the ordinance.

Mr. McClellan said he thought the ordinance was unfair. He looked into landscaping in his front yard to mitigate the issue, but there is a City ordinance preventing him from putting in a hedge, but a trailer on the street in front of his home is okay.

Mayor Lund understands his point but the hedge ordinance is for people backing out of the driveway as it would block the right of way. He encouraged Mr. McClellan to call the police to report parking violations.

9. Informational Status Reports

Councilmember Bolkcom stated that on August 28, the Coon Creek Watershed and City of Fridley maintenance project for Springbrook Creek is having a meeting at Springbrook at 6:00 p.m. A letter will be sent out to the neighborhood.
