BY COMPLETING THIS APPLICATION, APPLICANT ACKNOWLEDGES AND CERTIFIES THE FOLLOWING CONDITIONS:

1. If application is approved based on eligibility and available funding, the City of Fridley (City) will pay the Applicant a grant amount up to or equal to 50% of the direct costs for replacement of components listed above at the Applicant's property, but not exceed \$150 per washing machine or \$200 per toilet or irrigation controller. If water efficiency funds are also available and/or received from another government agency, the Applicant must report this to the City, and the City will withdraw its cost-share contribution.
2. If application is approved, payment to the Applicant of the cost-share amount shall be made in one installment by check or credited to Utility Account by the City upon verification that all provisions of this contract have been fulfilled.
3. This grant may not be paired with any other water efficiency rebates.
4. Audits of irrigation system must be completed by Water in Motion.
5. The Applicant agrees to apply for permit for installation of toilet with City of Fridley. Permit cost is separate and not included in grant rebate. Permit cost is \$35.
6. The Applicant must complete all work under this agreement before the expiration date specified in their approved application.
7. Applicant misrepresentation of information stated on the application will require repayment of grant funds to the City.
8. The Applicant must submit original copies of proof of purchase receipts as well as copies of documentation stating Energy Star rating or WaterSense rating on product.
9. The Applicant must submit a copy of irrigation audit if applicable.
10. All services provided by the Applicant pursuant to this grant shall be performed to the satisfaction of the City, as determined at the sole discretion of the City. The Applicant shall not receive payment, and the City is entitled to complete reimbursement, for work found by the City to be unsatisfactory, or performed in violation of federal, state or local law, ordinance, rule or regulation. The total obligation of the City shall not exceed the Grant Amount listed above.
11. The City may revoke an approved application with or without cause by ten (10) days written notice to the Applicant. The Applicant will be entitled to reimbursement according to the terms of the Agreement for qualifying costs incurred up to and including the effective date of the cancellation, for work or services satisfactorily performed.
12. The Applicant agrees to defend and indemnify the City, its officials, employees, and agents from any and all liability, loss or damage they may suffer as a result of claims, demands, judgments or costs, including reasonable attorney's fees, arising out of or related to Applicant's performance of any work related to this application.
13. Applicant shall be responsible to make payment to the person or persons performing the work and shall not assign or transfer any interests, rights or obligations under this Agreement.
14. No partnership, joint venture, or principal-agent relationship is established between the parties under this agreement.
15. Applicant acknowledges that this application and all documentation provided to the City are considered public records and subject to applicable data practice rules.
