

Junior Leader Application 2019

Springbrook Nature Center is accepting applications from students, ages 13-17, who would like to volunteer their time with Day Nature Camp during the summer of 2018. Springbrook's day camps combine nature, science, and fun to create an opportunity for children ages 5-12 to learn about the natural environment. While the summer camps have a full-time staff of naturalists who lead the camp, they rely on youth volunteers to assist in making each day a terrific experience.

When indicating your availability, please be aware that in order to volunteer with any age group, you must be 2 years older than the upper range of the camp. For example, to help with the 10-12 age group, you must be 14.
