Operation Inventory Fridley Police Department

Please use the Property Inventory worksheet to document ALL of your valuable belongings. Keep the list in a safe place. Should you become the victim of a burglary or theft, you will be able to provide valuable information to law enforcement. Recording specific information about an item increases the possibility of recovery if stolen. List ALL model & serial numbers, manufacturers may repeat serial numbers on the same type of item but different model. Photograph any item without a serial number.
