

Civic Campus West Plaza

Project Update

August 2021

Project Overview:

The City of Fridley will be performing construction on the Civic Campus West Plaza during the summer and fall of 2021. The majority of the trail and sidewalk connections at the Civic Campus were completed in the fall of 2020, leaving the West Plaza as the final piece of land to be developed as part of the Civic Campus project. The vision for the West Plaza will be to serve as another community gathering space at the Civic Campus. The West Plaza will be connected to the existing trail system around the Civic Campus.

Construction anticipated to be completed in 2021:

- Site preparation and grading
- Irrigation installation
- Electrical installation
- Grass seeding
- Trail connections

Once funding is secured, the following are additional amenities to be considered for installation at a later date:

- Plantings of trees and shrubs
- Plaza surface
- Concrete path
- Seating such as benches, pergola, wall seating
- Signage
- Lighting
- Stepping-stone path
- Waterfall
- Concessions trailer

The City will continue to inform the neighborhood on the construction and development of the Civic Campus West Plaza. Visit [FridleyMN.gov/WestPlaza](https://www.fridleymn.gov/WestPlaza) to learn more about the project including the concept plan.

Stay Informed

Learn more about the Civic Campus West Plaza project by visiting [FridleyMN.gov/WestPlaza](https://www.fridleymn.gov/WestPlaza). You can see the concept plan and learn about project updates.

If you are already subscribed to the Fridley For You e-newsletter, you do not need to sign up again.

Worksite Safety

Although it is tempting and interesting to watch, it is very important that residents, including children, remain well away from work zones. Please be cautious near construction areas, equipment, and warning signs.

If you have an emergency, the City of Fridley's after hours contact is 763-427-1212. This is an Anoka County Dispatch and they will direct your call.
