Thank you for your interest in Springbrook Nature Center as your rental destination! We are excited to offer indoor and outdoor spaces in our Pavilion Activity Center (PAC), Interpretive Center classrooms, or our outdoor amphitheater, for your rental needs. Our facility is nestled amongst the natural beauty of forests, prairies and wetlands, providing the perfect backdrop for your event. If you are interested in renting a space, please give us a call at 763-572-3588, and we will be happy to help you plan your event.

The Rental/Booking Process

Springbrook Nature Center offers a variety of rental spaces for one-time, private events between the hours 10am and 4pm. Our Interpretive Center is open nearly every day of the year (it may be closed on some City of Fridley holidays). If you are interested in renting a Springbrook Nature Center facility, please call the nature center to discuss options: 763-572-3588.

1. Rentals MUST be completely booked at least 7 days prior to event. Staff will do our very best to assist you in a timely manner but may not always be immediately available. Please take this into consideration when planning.
2. Once we find a date and time that works for your event, we need a signed rental application. Please note: The applicant listed on the rental application must be in attendance during the entire use of the rented facility and is responsible for all guidelines and rules being followed.
3. On the application, renters must be able to specify an estimated number of guests for their rental, indicate rental start and end times which includes your time needed for set up and clean up. Additional fees may be charged for early arrival and late departures outside of your rental period and may result in forfeiture of your damage deposit.
4. Once the rental application is turned in, Springbrook staff create a rental contract in our system. Once the contract is created, we will be able to accept payment for the rental. At least 50% of the rental fee, plus the facility damage deposit, is due at the time of reservation. The second half the of the rental fee is due one week prior to the event. Full payment may also be accepted at the time of reservation. Springbrook accepts the following payments: credit cards by phone; or cash, check or credit in person.
5. The rental applicant is asked to please check in and out with the front desk in the Interpretive Center building when arriving or departing a rental.
