

Ordinance No. 1410

Amending the Fridley City Code to Add
Chapter 310, Hemp THC Products and
Amend Chapter 209, Fees

Hemp THC Products Shop License

- License for edible cannabinoid and nonintoxicating cannabinoid products
- Gives City authority to regulate the sale of these products
- Better safety and welfare for residents of the City

Hemp THC Product Shop License

- Procedure will be like the process for Tobacco Products Shop licenses
- Staff will approve and bring to Council for approval
- Limits the number of licenses to six

Hemp THC Product Shop Requirements

- Must have an entrance directly to the outside
- Under 21 may not enter unless accompanied by 21 and older
- Must meet certain gross revenue requirements
- Required to certify all employees have been provided training that covers federal, state and local regulations

Term

- Ordinance as presented says license expires “March 1, 2025”
- Staff recommends motion to revise section 310.05 sub 5 to say “A license issued under this Chapter becomes effective from the date on which the license is issued through April 30.”

Regulations

- Prohibited within 400 feet of a school or day care
- Must be open to inspection by the City
- No delivery sales
- Business must be conducted face to face
