**For immediate release: January 15, 2025**

**Subject: Update to Fridley Public Safety Investigation of Threat to Fridley Public Schools**

On January 14, officers arrested a person of interest, a 13-year-old male juvenile, in relation to a threat to Fridley district schools. The juvenile is being held at the Lino Lakes Juvenile Detention Facility.

As Fridley Public Safety was conducting their investigation of the initial threat, authorities were made aware of additional potential threats on various social media platforms. Detectives are currently investigating every lead received.

The investigation is ongoing in collaboration with local, state and federal authorities. No further information will be released at this time.

**For immediate release: January 15, 2025**

**Subject: Fridley Public Safety Investigation of Threat to Fridley Public Schools**

Fridley Public Safety received notice of a threat to Fridley district schools via social media during the afternoon of Tuesday, January 14. All after school activities and meetings for the evening of January 14 and all classes and activities on January 15 were cancelled out of an abundance of caution.

Fridley Public Safety is investigating the threat and its origin. No further information will be released at this time due to the ongoing investigation.

Additional information regarding classes and activities will be provided by Fridley Public Schools.
