

53rd Avenue Projects

Construction Update
September 22, 2023

53rd Avenue Roundabout Safety Project

This week, the Contractor finished installation of new storm structures on the south side of 53rd Avenue and prepared the roadway in for the new curb.

Next week, the Contractor will install the curb & gutter for the south segment of the roundabout. **The new concrete will require 7 days of curing time.**

53rd Avenue Trail and Walk Improvements Project

This week, the Contractor started installing the retaining wall and removed curb on the south side of 53rd Avenue.

Next week, the Contractor will be hauling excess base material, and grading the roadway base in preparation of the new trail and curb on the south side of 53rd Avenue.

Please note that all construction scheduling is tentative, weather-dependent, and subject to change.

We thank you for your continued cooperation and patience!

Construction

The Contractor's hours will be from 7:00 a.m. to 7:00 p.m., Monday-Friday. There is potential for occasional work outside of these hours upon City approval. Please keep in mind that this type of construction may generate noise, dust, mud, and be disruptive to the area. Please be patient with the Contractor and contact us if you have any concerns we can help with.

Resident and Business Access

The City and Contractor will work to minimize inconvenience to residents and businesses during construction. Residents and businesses can expect to have access during construction. We ask that residents, and businesses remain outside the immediate work zone and exercise caution when navigating the project area wherever you see workers, equipment, or warning signs.
