

53rd Avenue Projects

Construction Update

October 13, 2023

53rd Avenue Roundabout Safety Project

This week, the Contractor poured concrete for the new roundabout and median on 53rd Avenue from the west Target driveway entrance to Central Avenue (TH 65). The Contractor also began preparation of the road for the final lift of asphalt.

Next week, the Contractor will begin paving the final lift of the asphalt within the roundabout area. After paving, the Contractor will begin restoration within project area.

53rd Avenue Trail and Walk Improvements Project

This week, the Contractor paved the first lift of asphalt and paved the trail on the south side of 53rd Avenue. The Contractor also reclaimed the road along the north side of 53rd Avenue.

Next week, the Contractor will begin removing select curb & gutter and driveways along the north side of 53rd Avenue in preparation of the concrete sidewalk.

Please note that all construction scheduling is tentative, weather-dependent, and subject to change.

We thank you for your continued cooperation and patience!

Construction

The Contractor's hours will be from 7:00 a.m. to 7:00 p.m., Monday-Friday. There is potential for occasional work outside of these hours upon City approval. Please keep in mind that this type of construction may generate noise, dust, mud, and be disruptive to the area. Please be patient with the Contractor and contact us if you have any concerns we can help with.

Resident and Business Access

The City and Contractor will work to minimize inconvenience to residents and businesses during construction. Residents and businesses can expect to have access during construction. We ask that residents, and businesses remain outside the immediate work zone and exercise caution when navigating the project area wherever you see workers, equipment, or warning signs.
